Johnny—Pa, is it wrong to steal from a trust?

Johnny's Pa—Don't let the question bother you any, my son. It's impossible.

A Sure Thing.

It is said that nothing is sure except death and taxes, but that is not altogether true. Dr. King's New Discovery for Consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. VanMetre, of Shepherdstown, W. Va., says: "I had a severe case of Bronchitis and for a year tried everything I heard of but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely." It's infallible for Croup, Whooping Cough, Grip, Pneumonia and Consumption. Try it. It's guaranteed by The W. R. Smith Co., Druggist. Trial bottles free. Regular sizes 50c, \$1.00.

X—It's a good thing that a fellow doesn't get hot when he's coming to him in this world.

Y—Why?

X—Because he'd have to pay all his wages for storage room.

A Startling Test.

To save a life, Dr. T. G. Merritt, of No. Mehoopany, Pa., made a startling test resulting in a wonderful cure. He writes, "A patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles so I prescribed them. The patient gained from the first, and has not had an attack in 14 months." Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. Only 50c at The W. R. Smith & Co's. drug store.

Herbert Leon Cope, Humorist.

Mr. Cope can hardly be labelled. He is not merely an entertainer, nor does he claim to be a lecturer. He is really both in one. Every entertainment is a lecture and there is a serious purpose back of all his fun. Mr. Cope's style is peculiarly his own. He has the rare faculty of being extremely funny without insinuation of vulgarity, or descending to the province of the buffoon. With a delightful contrast of the sublime and the ludicrous, he develops rare entertainment out of the absurdities, inconsistencies and excesses of human nature, taking his models from life. His lecture-entertainments are a restless medley of unadulterated fun, solid common sense, classic beauty and magnetic pathos, all tinged with the philosophy and religion of life. During the past two seasons Mr. Cope has filled engagements in four hundred and twenty-three different cities and towns, and during the summer months he appeared at seventeen of the leading Chautauques. The demand for return engagements by Mr. Cope exceeds anything we have known in the entertainment line. He has given as high as nine return engagements to practically the same audience. It is this continued demand for return dates that has given him his sobriquet, "Maker of the Smile That Won't Come Off." His record indicates a popularity unequalled by any lecturer or entertainer now appearing before American audiences. Bell's Opera House November 29.

Bob Ingersoll once said: "When Missouri goes Republican I'll believe in a God." Now isn't Missouri ashamed of herself for waiting until it was too late to save Bob?

DO NOT DOSE THE STOMACH

Hymel, the Only Guaranteed Cure for Catarrh.

No one should confound Hymel with the patent medicines that are advertised to cure catarrh. It is far superior to them all as the diamond is more valuable than cheap glass. Their composition is secret, but Hymel gives its formula to all reputable physicians and is prescribed by them generally.

The only way to cure catarrh and all other diseases of the respiratory organs is to breathe Hymel.

This treatment has been so successful in curing 99 per cent. of all who have used it, that Hymel is now sold by W. R. Smith Co. under an absolute guarantee to refund the money in case it does not benefit. You run no risk whatever in buying Hymel. If it did not possess unusual powers to cure, it could not be sold upon this plan.

FROM SOUTH AFRICA.

New Way of Using Chamberlain's Cough Remedy.

Mr. Arthur Chapman writing from Durban, Natal, South Africa, says: "As a proof that Chamberlain's Cough Remedy is a cure for old and young, I pen you the following: A neighbor of mine had a child just over two months old. It had a very bad cough and the parents did not know what to give it. I suggested that if they would get a bottle of Chamberlain's Cough Remedy and put some upon the dummy teat the baby was sucking it would no doubt cure the child. This they did and brought about a quick relief, and cured the baby." This remedy is for sale by The W. R. Smith & Co.

Obituary.

Lorenzo Dow Crute, son of James and Sarah Crute, was born in Dover, Ky., October 28, 1839, and departed this life November 14, 1904. Aged 65 years and 16 days.

The deceased was twice married, his first wife being Sarah E. West, to whom he was united in marriage October 24, 1867. To this union two daughters were born, Mrs. Clara J. Purdy and Mrs. Anna Wright, both living. He was united in marriage the second time to Sarah E. Wright April 15, 1874. To this union were born four children. Three daughters and one son, Nellie W., Sallie Mae, Olive Blanch and John James Crute.

All of whom named, together with a devoted wife and a host of other relatives and friends, are left to mourn their loss.

The deceased served in the Civil War during almost the entire engagement, having enlisted in the 81st Regiment O. V. I. in 1861 and was mustered out of the United States service in 1865.

In character this man's life was above reproach, free from all the habits, which in a physical or moral way would make him a subject to criticism. Honest, frugal, industrious, he made life a success, and built up for himself and those he loved a home of peace and plenty.

Temperate, free hearted, moral, he was at once the model citizen, the loving husband and father, and made to all who knew him the great truth "an honest man the noblest work of God."

After life's fitful battle he rests well, sinking like a tired child upon the bosom of mother earth to that rest from which none ever wake to weep.

Father, husband, farewell.
We shall meet beyond the sky;
Where the glory we shall share,
Where we never say good-bye.

CARD OF THANKS.

The family extend their sincere thanks to the friends and neighbors for their kindness and sympathy during the sickness of Mr. L. D. Crute.

Chamberlain's Cough Remedy is Pleasant to Take.

The finest quality of granulated loaf sugar is used in the manufacture of Chamberlain's Cough Remedy, and the roots used in its preparation give it a flavor similar to maple syrup, making it quite pleasant to take. Mr. W. L. Roderick, of Poolesville, Md., in speaking of this remedy, says: "I have used Chamberlain's Cough Remedy with my children for several years and can truthfully say it is the best preparation of the kind I know of. The children like to take it and it has no injurious after effect. For sale by The W. R. Smith & Co."

General Stoessel was talking to the Port Arthur admiral.

"Look there," he said pointing to the bottling squadron of the Japs. "Wouldn't that jar you?"

"It's not so bad as going back home and being canned," replied the sailor-man. "But let's cut out this grocery store talk."
